

Illustrator/ interior designer Femke

Let's create an exquisite and unique environment together

As an interior designer and illustrator, Femke loves to mix & match materials, patterns and colours.

She loves to travel. She is inspired by colourful flora & fauna of the world's most fascinating cultures. Elegant imagery, with exceptional attention to detail create animated conversations. All designs are originally hand-painted by Femke.

Originally hand-painted custom made design

Sustainability

We have an eye for detail and quality and a big heart for the environment. We are working with eco-friendly suppliers.

Let's work together

Excited to turn your ideas into projects, interior design, tableware, branding, accessories? Let's plan a meeting and create an extraordinary world together!

Catchii

We create engaging, memorable hotel products & unique projects to wow guests

Exquisite sustainable wallpaper | Elegant porcelain tableware | Interior Design | Custom made accessories

Let's create an extraordinary world.

Catchii is a Dutch label, founded by illustrator and interior designer Femke Zwaan. Our collections of high quality sustainable wallpaper, fine porcelain tableware and accessories are rich in detail. We create thoughtfully handcrafted products with artfully decorated designs that elevate the spirit.

High quality porcelain tableware

Catchii tableware enliven all meals and are guaranteed for wowing guests. From breakfast to soirées.

Originally hand-painted designs made from 100% porcelain

- Durable, scratch and chip resistant
- Hotel safe for heavy use
- Dishwasher, microwave and oven safe
- Made in Europe

Catchii gets the table talking

Luxurious artisan wallpaper

Exquisite, unique & eclectic

Be inspired by the beauty of originally hand-painted landscapes and decors of our eco-friendly & hotel safe wallpaper. We would love to design custom made wallpapers for your hospitality projects from the materials you wish (from heavy use, wet areas to outdoor).

Create a colourful and unforgettable feel to any space

Sisal & seagrass wallpaper

Add a luxurious finish to the space with our collection of exceptional quality natural wallpaper

- made from 100% natural plant fibers as sisal, seagrass and bamboo
- the grass-woven wallpaper is woven entirely by hand
- discover the varieties of colours, structures and our metallic/ golden glow selection

Sophisticated, luxurious & characterful
