

FOR THE WAY YOU WORK TODAY

Time Point Cloud is one system continuously analysing and displaying a hotel's key performance indicators in real-time.

One platform connecting and updating key managers and HODs on sales, staff costs, table covers, and room occupancy ratios.

View alerts and key data in powerful, easy-to-read hotel cost analysis dashboards from anywhere at any time on any tablet or desktop.

Empowering the entire team with real-time information that can generate further increases in efficiencies across the property.

Key Features

- View staff costs as a % of sales ✓
- Rooms sold with revenues & costs ✓
- Includes cost per restaurant cover ✓
- Budget & forecast cost analysis ✓
- Instantly view room occupancy levels ✓
- Actual versus rostered staff costs ✓
- Analyse staff costs & sales revenue ✓
- Daily, week-to-date or year-to-date views ✓
- One view through powerful dashboards ✓

Now it's anytime

You can access your workforce performance from any tablet, smart phone, desktop or laptop.

Instant reporting

Transform how you look at your business. Receive instant updates on every aspect of your workforce.

Staff costs to sales

View the hotel's actual staff costs as a percentage against total sales revenue.

Auto alerts

Send key managers notifications on pending budget deviations before they happen.

Food covers

Also include how many covers were completed, revenue generated, and associated costs.

Real-time data

Generates all key information, view on a daily, week-to-date, or year-to-date basis.

One complete view

Powerful, easy-to-read dashboards display in-depth analysis and drill-down options.

Empower the team

Real-time information that can generate further increase in efficiencies across the hotel.

Budgeting & forecasting

Plan, analyse staff costs, rooms & revenue by department, location, or group-wide.

Workforce management & HR

For the entire business in-depth analysis on sales revenue and food covers.

EMPOWER

Empower your employees with one integrated system for HR and workforce management.

PROTECT

Protect your employees and your company by ensuring all policies and procedures are adhered to.

REDUCE

Reduce admin time and staff costs through increased efficiencies with real-time workforce analytics.
