### GASTRO PUB

"Sir Woofchester's has been a blinding success with us down on the coast! Whether our furry friends are joining us for a Fish and Chips, Bark Brew or one of their extremely popular 'Loli-pups' the dogs and owners are never disappointed. Would highly recommend getting these tasty treats anytime!"

### INDEPENDENT PUB

"Our doggy menu is a huge hit – we have had people visit just because of our Roast Dinner and Tapas for dogs! Some people are amazed at the offering, along with how dog-friendly we are, and why not treat your dog to three courses and a pint when you're treating yourself!!"

"I just wanted to let you know how thrilled I am with the incredible service I received from your company. As a holiday cottage owner, I strive to give my guests the very best experience I can, and this is extended to the furry ones too! The feedback I have received since providing Sir Woofchester's Sleepy Bones and the other treats has been phenomenal. The guests love them, the pooches adore them and my reviews have all been 5\*. I applaud you for giving great customer service."

### INN & HOTEL GROUP

"We are huge fans of Sir Woofchester's products Nelsons Hotels & Inns! Not only do our doggy diners go mad for them, but they really complement our own quality offering. There is a great and varied range of meals and treats, which all present extremely well; the branding and packaging is of a very high quality, and judging by how quickly they go down so is the taste! We have had the products on our Doggy Menu at our three gastro inns for a couple of years and have just introduced them in our gastro bar at our 4\* hotel! We had previously trialled other dog products, but Sir Woofchester's really does stand out above the rest!"

### LODGE / CARAVAN PARK

"We have purchased Sir Woofchester's products for our pet-friendly lodges at our holiday park. As lot of our guests like to bring their dogs on holiday with them, we thought it would be nice to leave some treats waiting for when they arrived. All the products are really good value for money and dogs seem to love them. We soon found that adding Sir Woofchester's treats resulted in many amazing reviews! Thank you David for an amazing and innovative service you provide."
