THE DISTRIBUTOR OF CHOICE

## WHO WE ARE

---

Salon Success is the UK's distributor of choice in the hair and beauty industry and we make it easy for our customers to be successful in both business and artistry.

Founded over 40 years ago, Salon Success started with the aim of raising the standards in our industry and helping our network of salons to become more successful.

We were also the first in the industry to take sustainability seriously, recognising its importance in our industry long before it was widely acknowledged. We now help you to help the planet by championing eco-conscious brands.

Today, we are proud to be part of the Sally Europe family, combining elite buying power with our team of highly skilled business consultants to support you. Our consultancy team are the best in the business and offer a 360 approach to support your business with everything it will need to thrive and grow.

# SALON DESIGN

---

Here at Salon Success, we know that embarking on a salon-re-fit can be a daunting task. That's why our Key Accounts team are here to help navigate you through this process.

Working with our brand partners we will guide you through an in depth consultation regarding products and layout followed by site visits to take measurements. 2D and 3D CAD drawings will be created and then the creative selection of colours for furniture, floor & walls can be made. The salon design service is available for £295.00 + vat, refunded upon confirmation of an order value of £3000 or more.
