Dore & Rose

With a focus on sleep wellness, our purpose is to enhance the sleep experience for our customers, promoting not only healthier sleep but also a range of collateral advantages. What sets our products apart is that each one offers something truly special, rare in the market, and provides even more benefits than our competitors. Our innovative sleep solutions contribute not only to healthier skin and hair but also to reduced stress levels, improved cognitive function, and enhanced overall well-being. By crafting these exceptional products that prioritize quality rest, we empower our customers to awaken each day feeling confident, energized, and ready to embrace the day.

***“DORE & ROSE IS MORE THAN BEDDING, IT’S A MOOD,
EMOTION, A FEELING”***

DORE & ROSE

Brand Heritage

Dore & Rose is rooted in the belief that true well-being emerge from a profound connection with the restorative powers of sleep. We are fervently dedicated to the art of sleep wellness and believe that sleep is not merely a necessity; it's a sanctuary—a sacred realm where your mind and body rejuvenate, and your spirit finds solace.

Our brand draws inspiration from the enchanting tale of Sleeping Beauty, we see sleep as the ultimate awakening—a journey of self-discovery and transformation. We understand that each night is an opportunity to weave dreams, heal, and emerge radiant.

We are not just crafting products; we are shaping experiences. Our products aim to transcend the ordinary and redefine the way we perceive sleep. Each product from Dore & Rose is not just a creation but an innovation— something truly unique in the market.

Dore & rose is a sleep wellness brand for those who believe in elegance, authenticity, and timeless charm.

DORE & ROSE

Our Fairytale Origins

Dore&Rose was founded in Amsterdam in 2022 and based on the principle that all beauty and health hacks start with good sleep.

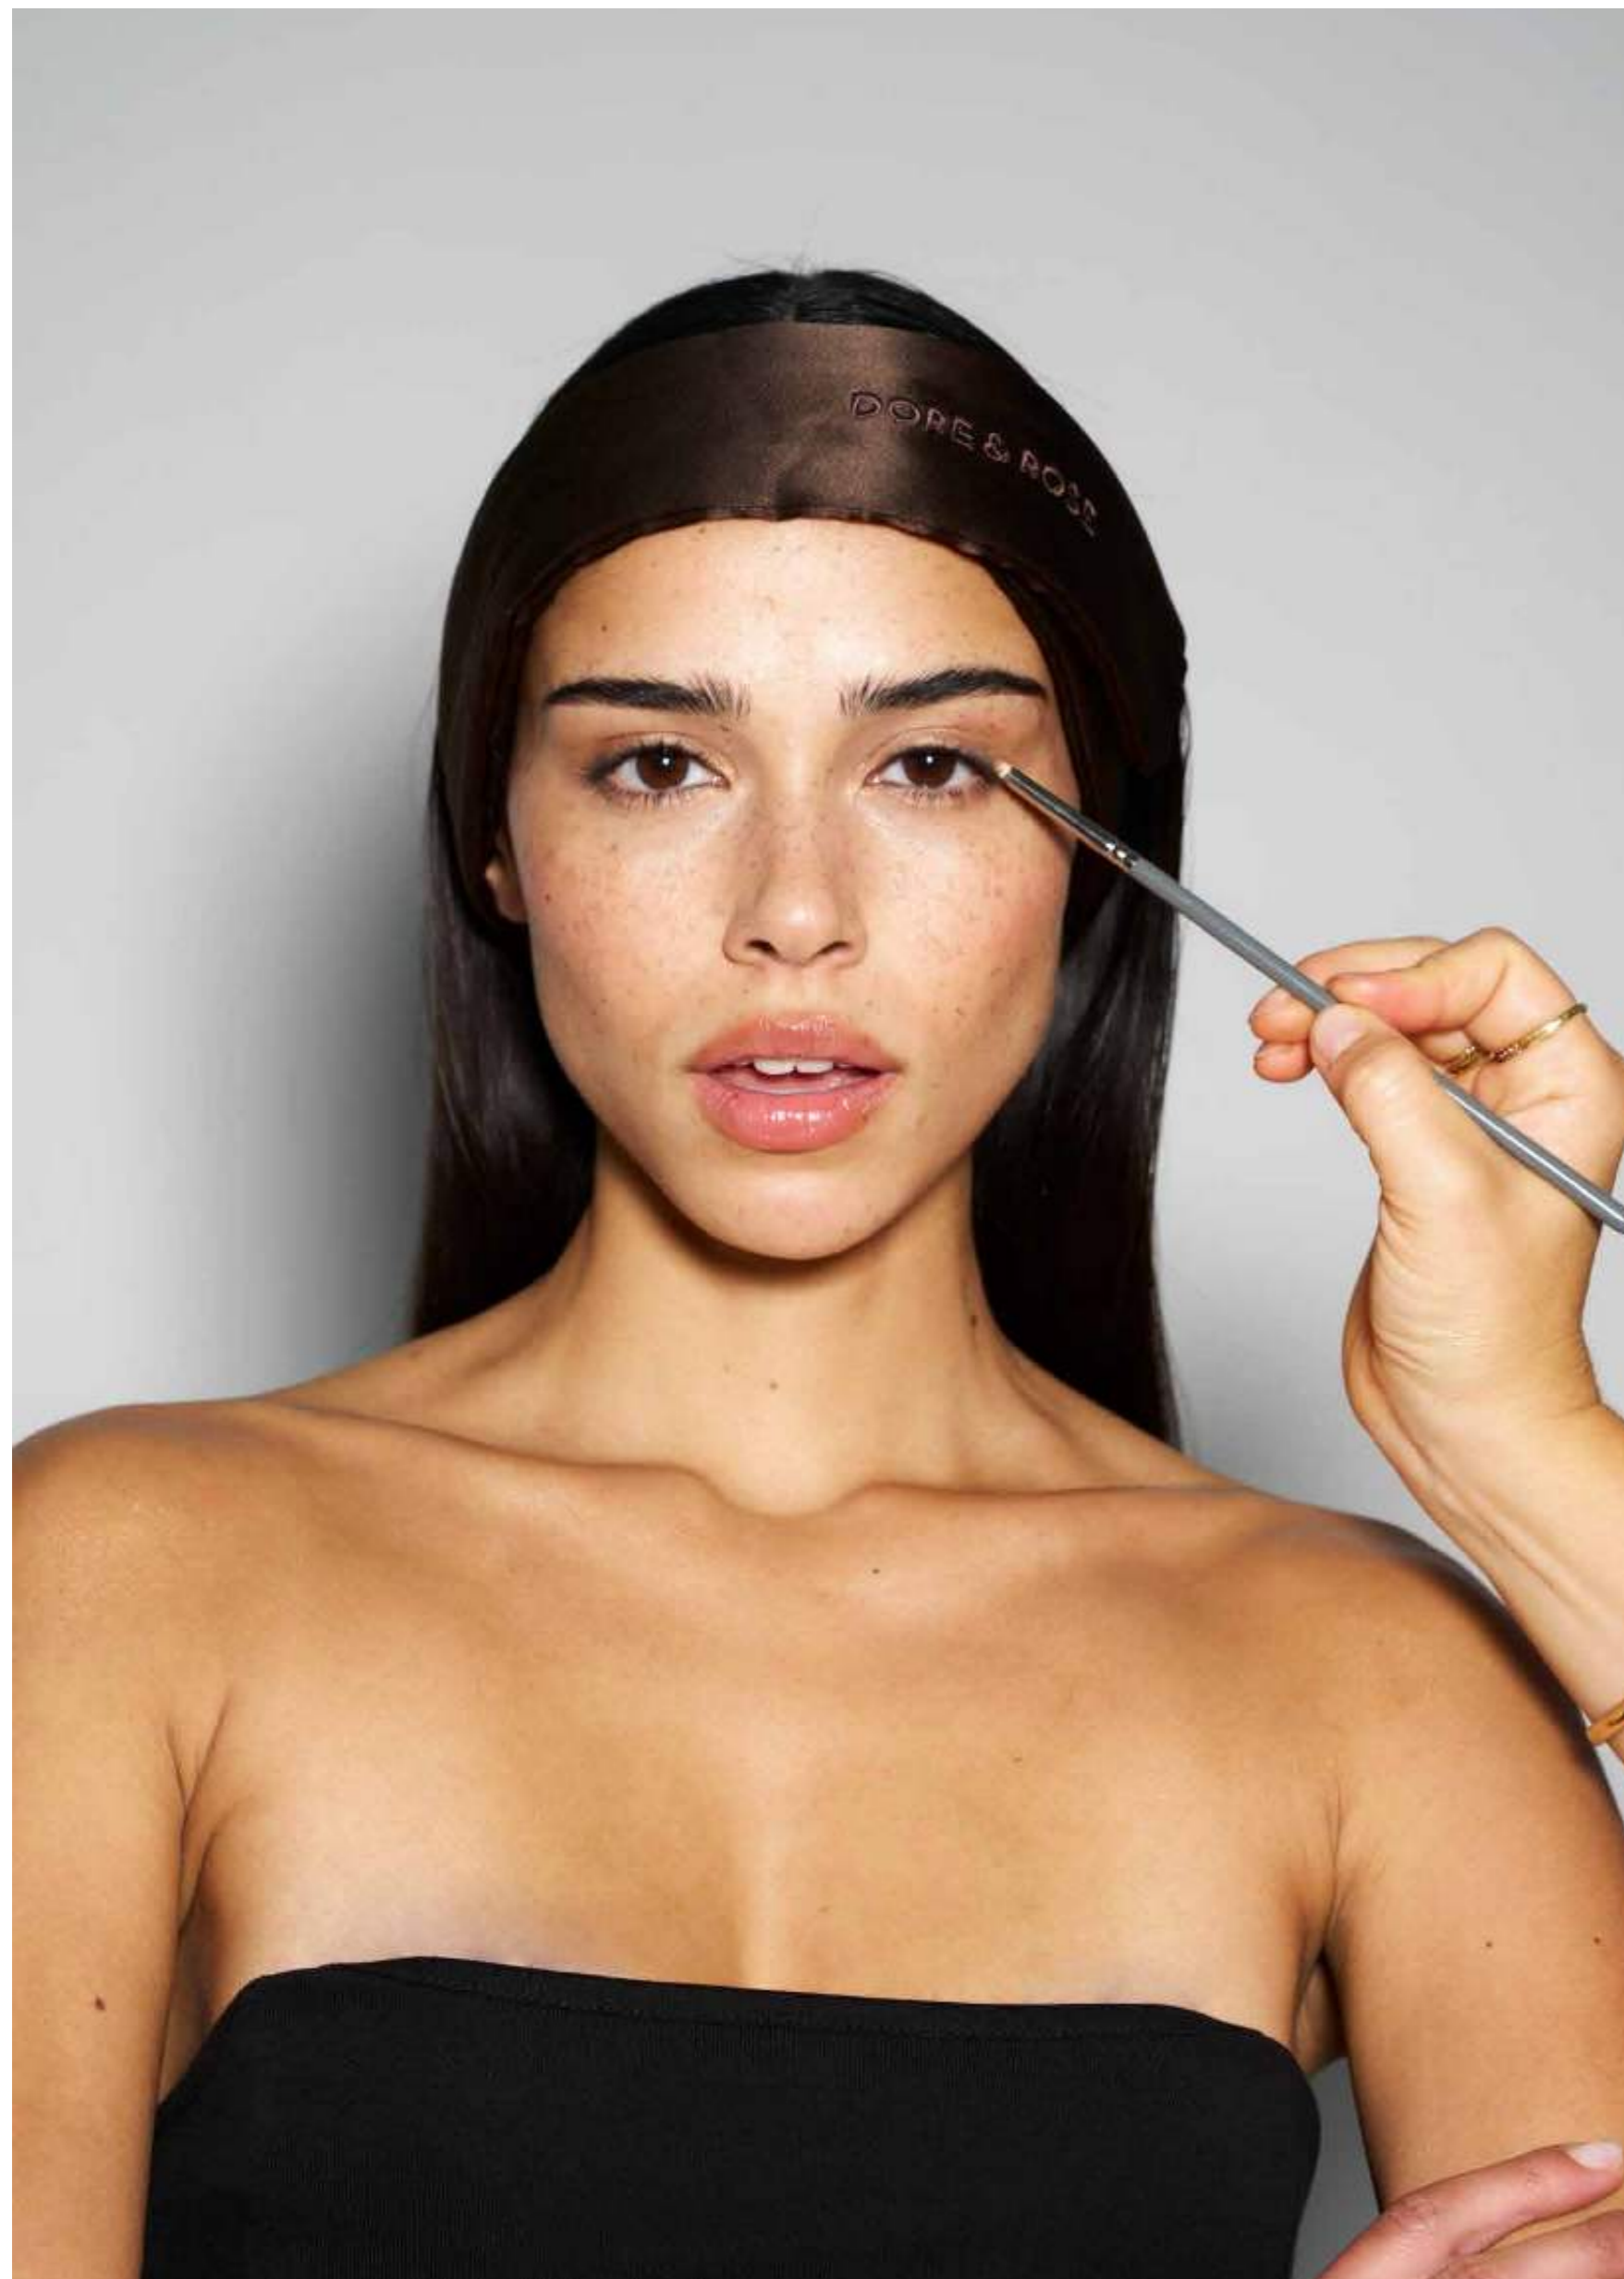

Rooted in their heritage, the brand was inspired by the fairytale of Sleeping Beauty, which in Dutch is translated as “Doornroosje”. From this story, the name Dore&Rose was born. It shaped every part of the brand, from the magical name to the enchanting packaging designed to resemble a fairytale book. Our logo, a spinning wheel, is a thoughtful reference to the classic tale, symbolising timeless dreams, beauty, and the power of restful sleep.

DORE & ROSE

Collection Categories

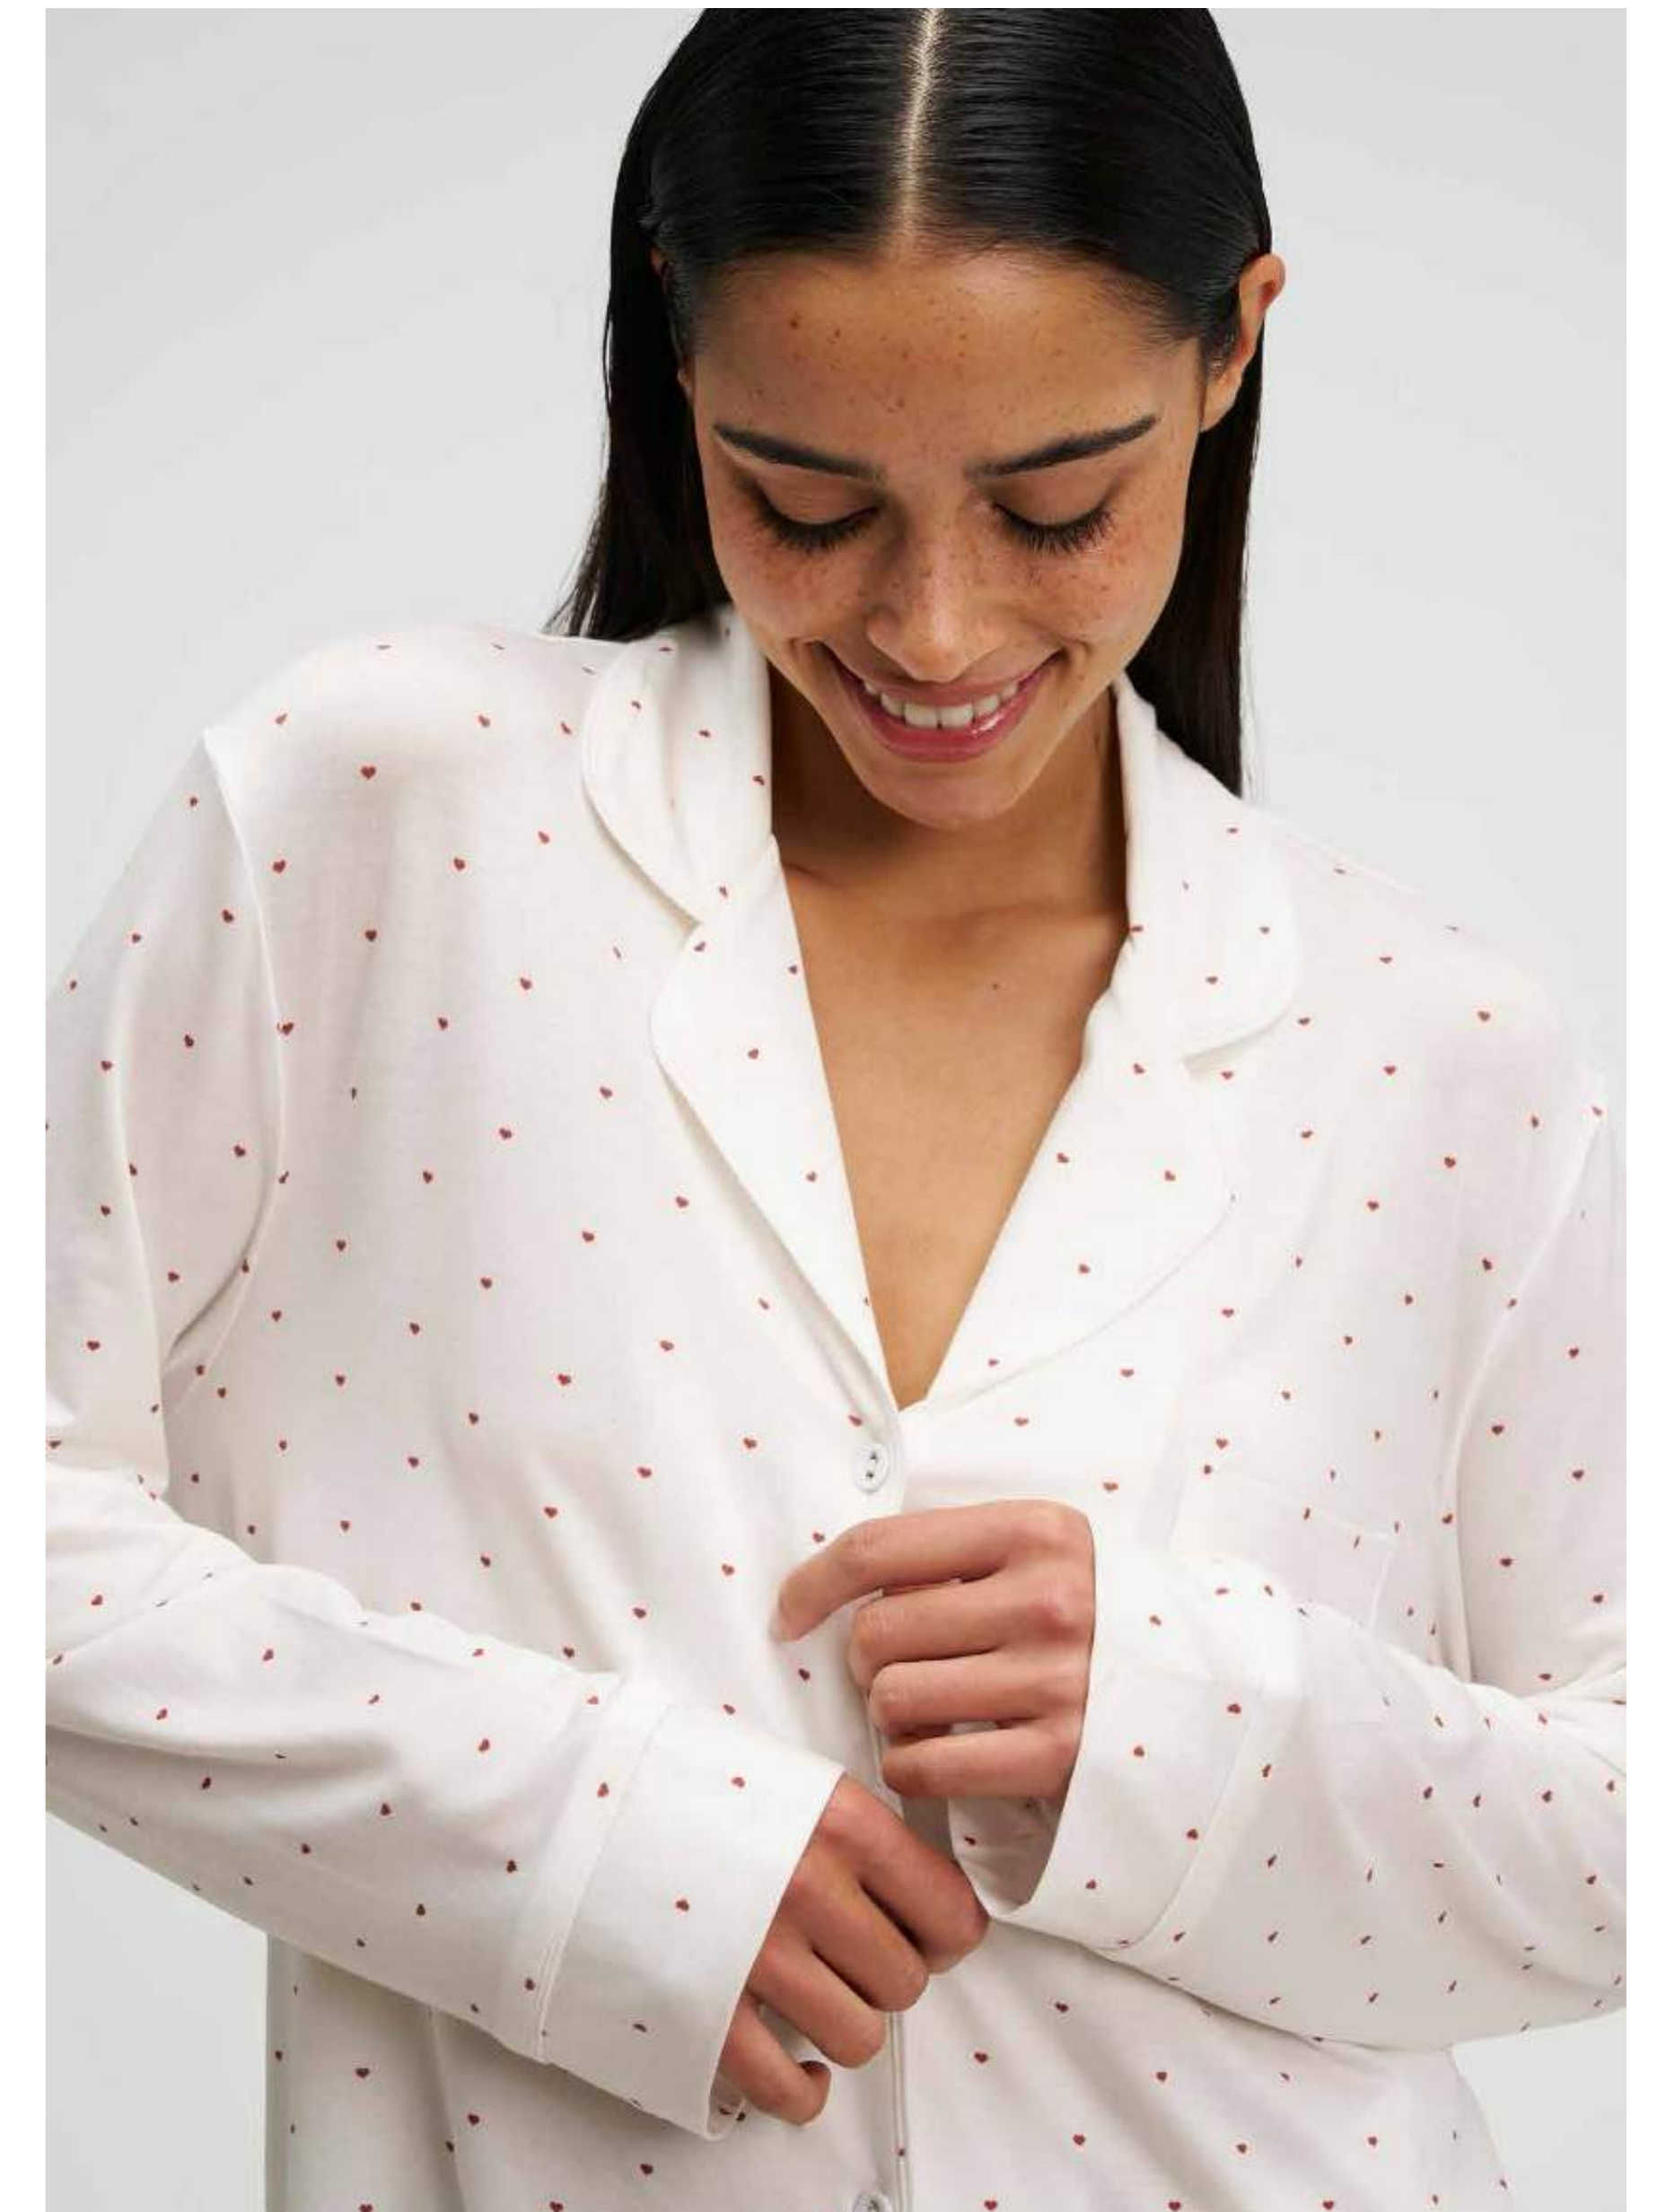

- **Beauty**

Beauty pieces are designed as part of a nightly ritual, supporting healthier skin and hair while you sleep. Think of silk pillowcases, deep sleep masks, and scrunchies, essentials where beauty meets restoration.

- **Fashion**

Our Fashion category includes all sleepwear and lifestyle pieces, from pyjamas to refined essentials. Designed for comfort, elegance, and timeless wear, both day and night

- **Limited Editions & Campaigns**

Limited Editions are released once, in carefully considered quantities. Campaigns may consist of a complete story-driven collection, combining both beauty and fashion pieces. Each release celebrates creativity, storytelling, and a unique moment in the Dore&Rose universe.

NEW PRODUCT:

The Ultimate Boyfriend Tee

The Boyfriend Tee is inspired by the effortless comfort of wearing his shirt, reimagined through a soft, feminine lens. Designed with a relaxed, oversized silhouette, it drapes naturally over the body, creating a sense of ease that feels both intimate and elevated.

Crafted from our signature Soft Soothe Tencel, the fabric is lightweight, breathable and silky to the touch. It moves fluidly with the body, offering comfort without restriction, whether worn for sleep, slow mornings or quiet moments throughout the day.

The Boyfriend Tee is an invitation to unwind, where softness, simplicity and understated elegance come together in a piece designed to feel as natural as rest itself.

- Ultra-soft and breathable Tencel
- 91% Tencel and 9% Elastane
- Lightweight with a fluid, oversized fit
- Effortless drape with a feminine ease

NEW PRODUCT:

The Cotton Silhouette

A quiet statement inspired by the strength and ease of femininity. The Cotton Silhouette PJ is designed with soft lines and a confident shape that feels natural on the body. It follows her form without forcing it, creating a silhouette that feels effortless, calm, and quietly powerful.

Made from breathable cotton with a touch of stretch, it feels light enough to wear during the day and soft enough to stay in through the night. This is comfort that doesn't ask her to change, but adapts to her rhythm. She moves, rests, sleeps, and lingers in it, because once it's on, there's no reason to take it off.

The collection is designed in three different sets that subtly match with each other, allowing her to mix, layer, and move between moments while keeping the same calm, confident feel. The Cotton Silhouette PJ becomes part of that pace, a second skin that stays with her from the first quiet hour to the last.

- Soft and breathable cotton
- 92% Cotton and 8% Elastane
- Designed to feel like a second skin
- A strong silhouette with an effortless presence
- Mix and match

NEW PRODUCT:

The Cami Sleep Set

The Cami Sleep Set is the most fluid expression within the Cotton Silhouette collection. It is the only set designed with a long trouser, paired with a delicate strap top that rests lightly on the skin.

The trousers are wide in shape yet refined in movement. They fall softly around the legs while fitting closer at the hips, creating an elegant balance between ease and form. As she moves, the fabric follows naturally, giving the silhouette a sense of lightness without losing its shape.

The Cami top is minimal and feminine, designed with fine straps that highlight the shoulders and neckline. It brings a subtle softness to the set, setting it apart from the long-sleeved styles in the collection and giving it a lighter, more relaxed feel.

Crafted from breathable cotton with a touch of stretch, the Cami Sleep Set adapts to her rhythm from evening to morning. Available in black, grey, off white, light blue, pink, and olive, each colour enhances the calm, effortless character of the design.

- Soft and breathable cotton
- 92% Cotton and 8% Elastane

Jersey Sleep Set

The Jersey Sleep Set is the most refined and close-fitting style within the Cotton Silhouette collection. Designed to follow the body closely, it creates a smooth, feminine silhouette while remaining soft and comfortable to wear. The fit is slim but never restrictive, allowing the fabric to move naturally with her.

The long-sleeved top offers gentle coverage for cooler bedrooms, while the short keeps the set light and balanced under warmer blankets. It's a thoughtful contrast that makes the Jersey Sleep Set ideal for nights where comfort is personal and adaptable.

Crafted from breathable cotton with a touch of stretch, the jersey fabric feels smooth against the skin and holds its shape beautifully. As part of the Cotton Silhouette collection, the set is designed to mix and match effortlessly with the other styles, creating a wardrobe of calm, confident comfort.

NEW PRODUCT:

Henley Sleep Set

The Henley Sleep Set is a softer statement within the Cotton Silhouette collection, defined by detail and quiet confidence. With its signature Henley neckline and delicate buttons, it adds a subtle, personal touch to an otherwise minimal silhouette. It feels effortless, yet intentional.

The long-sleeve top is designed with a slightly lower neckline, revealing just a hint more skin. This gentle openness creates a more sensual expression, without losing its calm elegance. The buttons allow her to adjust the look to her mood, closed for comfort, slightly undone for a softer, more intimate feel. Paired with a short, fitted short, the set balances warmth and lightness. The long sleeves keep her comfortable when her arms rest outside the blankets, while the shorter cut prevents overheating beneath the duvet. It is a refined equilibrium between cozy and confident.

Part of the Cotton Silhouette collection, the Henley Sleep Set subtly matches the other sets, allowing her to mix and layer while maintaining the same serene strength. A simple silhouette, elevated by thoughtful detail.

NEW PRODUCT:

The Cotton Poplin Sets

The Cotton Poplin Set is captured in natural light, moving effortlessly between bedroom and garden, where soft tailoring meets bare skin and open air. The silhouette feels relaxed yet intentional: a button left undone, a hem cut slightly higher, fabric that drapes instead of clings.

It's about quiet confidence and body awareness, the kind that doesn't ask for attention but holds it anyway. The mood feels intimate yet exposed, like stepping outside without changing, fully aware of how you look and entirely comfortable in it.

Crafted from crisp, breathable cotton poplin, the set feels light, fresh and naturally effortless against the skin. The shirt carries the structure of classic tailoring, while the shorts introduce a playful edge that gives the silhouette its character.

This isn't just a pyjama set.
It's a weekend uniform.
