HARBOUR

08

Harbour – a testament to sleek and contemporary design, marrying style with durability in outdoor furniture. Crafted from high-quality aluminum that undergoes the extrusion process, this collection offers a lightweight yet sturdy construction that can withstand the rigors of outdoor use.

The extrusion technique ensures precise shaping and clean lines, resulting in a modern aesthetic. With its resistance to rust, corrosion and fading, powder coated aluminum frames require minimal maintenance.

Pair any of our Harbour dining tables with the matching dining chair options of any of our sling or cushioned chairs to provide an elegant and inviting space for outdoor dining and entertainment. New for 2026, Harbour now features more chair options & additional frame colours.

With tables up to 134" long, Harbour can satisfy dining areas of all sizes.

MAGIC EXTENSION DINING

12

The Magic Table – Designed with a perfect blend of aesthetics and functionality, offering a robust solution for your outdoor dining and entertaining needs. Masterfully constructed from extruded aluminum and available in a variety of powder coated finishes.

Available in two sizes, our magic table extends seamlessly from a compact six-seater to a spacious ten-seater, or an eight-seater to a grand twelve-seater. The perfect solution for both intimate family dinners and larger social gatherings.

This single pop-up mechanism is innovatively designed to allow for a smooth, effortless transition between sizes. Hidden locking pins ensure stability and safety. Regardless of the position, the Magic Table allows for a market umbrella hole to be accessible at all times and includes a hole cover should it not be required. It's more than just a table – it's an investment in quality and convenience that will enhance your outdoor living experience for years to come.

Experience Versatility like never before.
