ZEN DINING TABLE

ZEN DINING TABLE

The Zen Dining Table extends the principles of pure minimalism to a larger scale, defined by a calm, matte tabletop supported by two precisely bent legs. Each leg is formed by a single 90-degree bend and positioned with inward-facing corners that remain deliberately separated, creating a restrained yet striking dining silhouette.

Material: Stainless Steel
Finish: Brushed and clear coated.
Standard Dimensions: 200 x 100 x 75 cm
250 x 100 x 75 cm
300 x 100 x 75 cm

TUKKON CONSOLE

TUKKON CONSOLE

The stepped contours create delicate lines of light and give the form an architectural depth. The burnished finish transitions from a deep, rich tone at the base into warm golden nuances toward the top. This fluid gradient makes every console a unique piece. To achieve these subtle color tones, each surface is meticulously hand sanded through an elaborate artisanal process. Designed for Vogue, we brought the piece into a castle for a special staging.

Product Specifications

Material: Brass
Finish: Patinated and softly brushed, clear coat finish.

Dimensions: 150 x 40 x 80 cm
Total weight: 40 kg

TUKKON CHAIR

TUKKON CHAIR

The chair features a sculptural base formed by curved sheet-metal legs that come together as an oval pillar, shaped using our characteristic stepped bending process. A single bent sheet creates the seat at a carefully calibrated angle and is seamlessly integrated into the base, resulting in a modern lounge chair defined by comfort and clarity of form.

Product Specifications

Material:	Stainless Steel or Brass
Finish:	Brushed and sealed with a clear coat alternatively for brass chemically aged through browning patination process.
Dimensions:	60 x 45,4 x 45,3 cm

Standard Dimensions: 110 × 80 × 1,8 cm

ORIGAMI (折り紙) THE ART OF FOLDING.

In Japanese culture, a symbol of lightness, precision, and transformation, this shelf translates those qualities into metal. Clear folds and reduced geometry turn the construction itself into a defining design expression.
